| <b>Product name:</b>               | Bactident® Aminopeptidase 50 test strips for the detection of L-alanine aminopeptidase in microorganisms                                                                                                                                                                                               |                 |     |
| <b>REACH Registration Number:</b>  | A registration number is not available for this substance as the substance or its use are exempted from registration according to Article 2 REACH Regulation (EC) No 1907/2006, the annual tonnage does not require a registration or the registration is envisaged for a later registration deadline. |                 |     |

This item is not a hazardous substance and does not contain hazardous ingredients, substances with European Community workplace exposure limits or substances of very high concern (SVHC) above their respective disclosure limits. Hence a safety data sheet is not required according to Regulation (EC) No. 1907/2006 (REACH) and also not available in this case.
